

Project type	Example	link to example
VPN across VPCs	Cisco Transit VPC	https://docs.aws.amazon.com/solutions/latest/cisco-based-transit-vpc/overview.html
	Cloud VPN Solutions OpenVPN	https://openvpn.net/cloud-vpn/
DNS as a Service	Route 53	https://aws.amazon.com/route53/
	Cloudflare DNS	https://www.cloudflare.com/dns/
	Google cloud DNS	https://cloud.google.com/dns/
Routing as a service	Google cloud router	https://cloud.google.com/router/docs/how-to/configuring-bgp
	Pureport cloud connectivity	https://www.pureport.com/cloud-connectivity/
Load Balancing as a service	Amazon Elastic load balancing	https://aws.amazon.com/elasticloadbalancing/
	A10 ADC solution	https://www.a10networks.com/solutions/server-traffic-management/load-balancing/
Firewall as a service	Amazon WAF	https://aws.amazon.com/waf/
	Barracuda Cloud firewall	https://www.barracuda.com/glossary/cloud-firewall
	Optiv fwaas	https://www.optiv.com/cybersecurity-dictionary/fwaas
	Catonetworks firewall as a service	https://www.catonetworks.com/glossary-use-cases/firewall-as-a-service-fwaas/
Auto scaling as a service	AWS auto scaling	https://aws.amazon.com/autoscaling/
	Strato scale auto scaling	https://www.stratoscale.com/products/auto-scaling/
Migration	Carbonite data migration	https://www.carbonite.com/data-protection/data-migration-software
	Google cloud platform, data migration	https://cloud.google.com/solutions/migration-center/
	Sumo Logic	https://www.sumologic.com/cloud-migration/

CDNs	Openconnect netflix	https://openconnect.netflix.com/en/
	Akamai CDN platform	https://www.akamai.com/us/en/resources/cdn-platform.jsp
Monitoring and alert services	Solarwinds	https://www.solarwinds.com/network-performance-monitor
	AWS cloudwatch	https://aws.amazon.com/cloudwatch/
	AppDynamics Cloud monitoring,	https://www.appdynamics.com/solutions/cloud-monitoring/
SD-WAN	Cisco Viptella	https://sdwan-docs.cisco.com/Product_Documentation
	VMWare Velocloud	https://www.vmware.com/products/sd-wan-by-velocloud.html
Reliability and performance test Services	Google SRE	https://landing.google.com/sre/
	thousandeyes	https://www.thousandeyes.com/network-intelligence
Edge networking functions	Equinix edge services	https://edgeservices.equinix.com/products?p_p_id=catalogportlet_WAR_emergingServicesportlet&p_p_lifecycle=0&p_p_state=normal&p_p_mode=view&_catalogportlet_WAR_emergingServicesportlet_productId=2c92a0ff68bf6b420168d0faa31b08c2&_catalogportlet_WAR_emergingServicesportlet_action=product%2Fdetails
	Cisco fog data services	https://www.cisco.com/c/en/us/products/cloud-systems-management/fog-data-services/index.html
	AWS greengrass	https://aws.amazon.com/greengrass/

Edge service placement	Equinix edge services	https://edgeservices.equinix.com/products?p_p_id=catalogportlet_WAR_emergingservicesportlets&p_p_lifecycle=0&p_p_state=normal&p_p_mode=view&_catalogportlet_WAR_emergingservicesportlets_productId=2c92a0ff68bf6b420168d0faa31b08c2&_catalogportlet_WAR_emergingservicesportlets_action=product%2Fdetails
	Cisco fog data services	https://www.cisco.com/c/en/us/products/cloud-systems-management/fog-data-services/index.html
	AWS greengrass	https://aws.amazon.com/greengrass/
Flexible Data paths	lowiser	https://www.iovisor.org/technology/xdp
	Intel dpdk	https://www.intel.com/content/www/us/en/communications/data-plane-development-kit.html
	Datapath.io	https://datapath.io/features/reserved-bandwidth/
	XDP	https://suricata.readthedocs.io/en/suricata-4.1.4/capture-hardware/ebpf-xdp.html
System tracing and performance	lowiser	https://www.iovisor.org/technology/xdp
	Intel dpdk	https://www.intel.com/content/www/us/en/communications/data-plane-development-kit.html
	datapath.io	https://datapath.io/features/reserved-bandwidth/
X as a Service	BYOP bring your own project
